

Summer School of Neuroscience (3)
NEURODEGENERATIVE DISEASES: FROM MOLECULAR BIOLOGY TO
PHARMACOLOGICAL TREATMENT

Catania, Parco degli Aragonesi Hotel, July 2-8, 2005

FELLOWSHIPS

EPHAR intends to award 5 fellowships of Euro 1000.00 each in order to help young scientists to cover the expenses for the participation in the summer school.

Eligibility: Applicants must be not older than 33 years. They must be PhD students in Pharmacology, Neuroscience or related sciences, or they must hold a doctorate degree or equivalent. The applicants must be citizens of one of the member countries of the European Federation of Pharmacological Societies (EPHAR).

Applications:

The application must be sent by e-mail (as attachment) AND by priority mail to:
Prof. Giancarlo Pepeu, EPHAR Treasurer, Department of Pharmacology, University of Florence, Viale Pieraccini 6, 50139 FIRENZE, Italy, (giancarlo.pepeu@unifi.it) until June 13, 2005.
The applications must include a short CV, the list of publications, and a recommendation letter written by the supervisor or by the head of the laboratory in which the applicant works.

Selection:

The selection will be made by a Committee formed by the President and Treasurer of EPHAR and by Chairman of the Scientific Advisory Board of the International Summer School. In the selection a geographical criterion (applicants from as many EPHAR member countries as possible) will be considered. The candidates who have been awarded the fellowship will be informed by June 15, 2005.

Payment:

A check of € 1000.00 will be handed at the registration desk at the arrival in Catania.
